

SA LSEN schools team

The South African LSEN Schools team has been picked from the cream of the crop at the LSEN Craven Week that took place in Uitenhage from 23 – 27 June.

Western Province were the superior team at the LSEN Week winning all three of their games with relative comfort. It comes as no surprise then that the majority of the SA LSEN Schools team hail from the men in the blue and white hoops with no less than nine players making the final cut. Their closest rivals during the week, Eastern Cape, have three players in the squad, all of them from Bergsig. Other provinces with representation in the national side are Boland (4), Valke (3), Blue Bulls (1), Golden Lions (1) and Leopards (1).

The schools with the most representatives are Jan Kriel (4), Westcliff (4), Agulhas (3) and Bergsig (3).

The SA LSEN team will next compete at the [U18 Academy Week](#) in Durban that runs from 01 – 06 July.
